

READY TO BE A BIG FISH IN A SMALL POND?

Tired of filling out countless applications without even a call back? Are you ready to put your job search on the fast-track to a meaningful career?

It's time to take the plunge and join the Colorado Workforce Center's Talent Pool. Talent Pool increases your visibility and hireability by connecting you with employers and strengthening your application, resume, and interviewing skills.

Benefits of Talent Pool Membership

- Head to the front of line and be referred first to employers looking to hire
- Become eligible for specialized training and resources tailored to your specific needs
- Receive invitations to Talent Pool member exclusive hiring events and networking opportunities
- Be a priority candidate for special grants and other training opportunities
- Find employment in a variety of industries including IT, Manufacturing, Construction, Healthcare, Finance, Hospitality, Retail, and more

Qualifications

- Show a strong and serious commitment to finding a career
- Have the qualifications, experience, and interest in at least one industry
- Provide a targeted, detailed resume
- Demonstrate effective interviewing skills
- Be ready and available to work

Dive in

- Register and complete an employment profile on [ConnectingColorado.com](https://www.connectingcolorado.com)
- Head to your local workforce center and complete any necessary workshops, assessments, or programs determined by your local workforce center staff
- Sign up for Talent Pool and Jump On In!

Now you're in a smaller pool of diverse, pre-screened, pre-qualified applicants that employers prefer to fish in, and your resume will swim to the top!
